

REQUEST FOR SPONSORSHIP / SUPPORT

Are you requesting sponsorship or donation to assistance with fundraising? We're happy to help, let's get started.

Go to our website at www.globehardware.com.au to find out about our procedure and see our list of beneficiaries.

In return for our support we'd like you to share this information via social media and/or through advertising/marketing material.

We are a locally owned business and as part of the community would like to do what we can to assist. We give to a wide variety of organizations every year. As part of the Broken Hill community, we are actively involved in several organisations. We value our customers and appreciate their willingness to participate in community events and appreciate their fundraising efforts, be it;

- raising money for the development of young individuals in sport or education;
- local school projects;
- fundraising efforts in other community groups;
- or raising money for charitable organisations.

While we always wish we could do more, we operate within a budget and have established a set of guidelines over the years and hope you respect our policies;

- We give preference to current Globe customers
- We do not donate or sponsor for-profit organisations
- We do not give to third-party donation seekers or professional fundraisers
